Name	One Beluga, Two Beluga, Three Beluga, Four: How to Count Belugas When You Run Out of Fingers and Toes
Description	We hope that our comic-book video illustrates the research process, with its ups and downs, and also shows how people with different backgrounds work together on a project. If it motivates people to find out more about our work (and read the dry, academic version of it), that's all we can ask for! Without further ado here is
Format	MP4
